

KodetoCareer — App Flow Document

Version 1.0 | For Design & Development Teams

1. Flow Overview

This document maps every user journey through the KodetoCareer platform. Each section covers a specific user role and their core task flows. Screen names are in SCREAMING_SNAKE_CASE for handoff reference.

2. Global Navigation Structure

2.1 Student App (Mobile — Flutter)

- Splash Screen (APP_SPLASH)
 -
 - Not Logged In
 - ■■■ ONBOARDING (first-time only, 3 swipeable slides)
 - ■■■ LOGIN
 - ■■■ REGISTER
 - ■■■ EMAIL_VERIFY
 - ■■■ FORGOT_PASSWORD → OTP_VERIFY → RESET_PASSWORD
 -
 - Logged In
 - Bottom Nav Bar (5 tabs)
 - ■■■ ■ HOME (STUDENT_DASHBOARD)
 - ■■■ ■ LEARN (COURSE_LIST)
 - ■■■ ■ TESTS (QUIZ_LIST)
 - ■■■ ■ PLACEMENT (PLACEMENT_HUB)
 - ■■■ ■ PROFILE (MY_PROFILE)
 -
 - Global: Notification Bell (top right) → NOTIFICATION_CENTER

2.2 Web App — Admin Panel

- ADMIN_LOGIN
 -
 - Super Admin
 - Sidebar Navigation
 - ■■■ ■ Dashboard (SUPER_ADMIN_DASHBOARD)
 - ■■■ ■ Colleges (COLLEGE_MANAGEMENT)
 - ■■■ ■ Students (STUDENT_MANAGEMENT)

- ■■■ ■ Trainers (TRAINER_MANAGEMENT)
- ■■■ ■ Courses (COURSE_MANAGEMENT)
- ■■■ ■ Batches (BATCH_MANAGEMENT)
- ■■■ ■ Assessments (ASSESSMENT_MANAGEMENT)
- ■■■ ■ Certificates (CERTIFICATE_MANAGEMENT)
- ■■■ ■ Placements (PLACEMENT_MANAGEMENT)
- ■■■ ■ Communication (COMMUNICATION_CENTER)
- ■■■ ■ Analytics (ANALYTICS_CENTER)
- ■■■ ■ Settings (SYSTEM_SETTINGS)
-
- College Admin (scoped to own college)
 - COLLEGE_DASHBOARD
 - STUDENT_LIST (read-only)
 - ATTENDANCE_REPORTS
 - PROGRESS_REPORTS
 - PLACEMENT_REPORTS

3. Student Flows (Mobile App)

Flow 3.1: Registration & Onboarding

APP_SPLASH (2 seconds auto-advance)

-
- First Install → ONBOARDING
 - Slide 1: "Learn from anywhere" [illustration]
 - Slide 2: "Track your progress" [illustration]
 - Slide 3: "Get placed" [illustration]
 - [Skip] or [Next] → REGISTER
-
- Returning User → LOGIN

REGISTER

- Fields:
- Full Name
 - Email
 - Password (show/hide toggle)
 - Confirm Password
 - [Register] Button

→ On Submit → EMAIL_VERIFY

EMAIL_VERIFY

- "Enter the 6-digit OTP sent to {email}"
- OTP input (auto-advance on 6 digits)
- [Resend OTP] (active after 60s countdown)
- [Verify] Button

→ On Success → PROFILE_SETUP (first-time)

PROFILE_SETUP (mandatory, can't skip)

Step 1 of 2 – Basic Info:

- Phone Number
- Date of Birth
- Gender
- Profile Photo (optional, camera or gallery)

[Next]

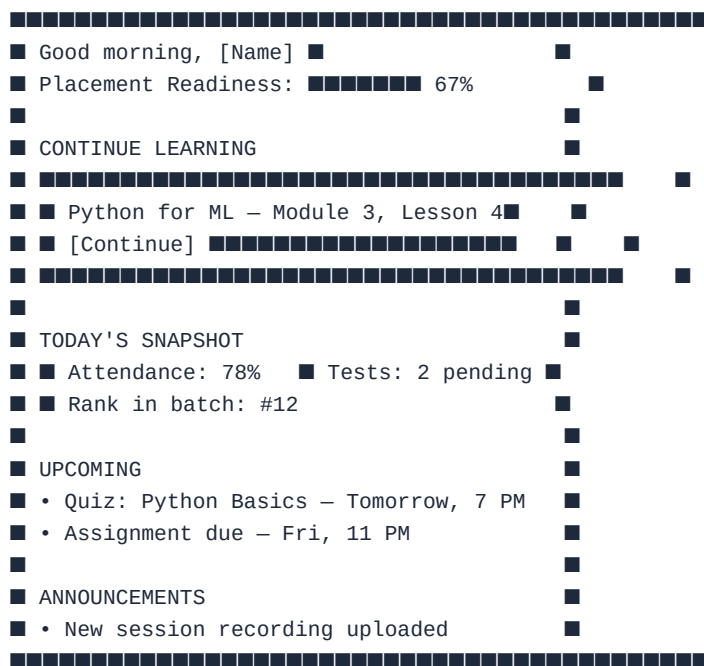

Step 2 of 2 – Academic Info:

- College (dropdown, searchable)
- Branch/Stream
- Year of Graduation
- Enrollment Number

[Complete Profile] → STUDENT_DASHBOARD

Flow 3.2: Home Dashboard

STUDENT_DASHBOARD

Tap on "Continue Learning" → LESSON_PLAYER

Tap on Quiz card → QUIZ_DETAIL

Tap on Announcement → NOTIFICATION_CENTER

Flow 3.3: Learning Flow

COURSE_LIST (Learn tab)

- Filter tabs: All | In Progress | Completed
- Each card: Course name, progress bar, % complete, trainer name

→ Tap course → COURSE_DETAIL

COURSE_DETAIL

- Course header: thumbnail, title, description, trainer
- "My Progress" bar
- Tab 1: Modules (collapsed list)
- Tab 2: Resources (all PDFs)
- Tab 3: About (trainer bio, syllabus)

→ Tap module → MODULE_EXPANDED (accordion opens in place)

MODULE_EXPANDED

- Module title
- Lesson list:
 - Lesson 1 – Introduction (completed)
 - Lesson 2 – Variables (in progress)
 - Lesson 3 – Loops (locked)

→ Tap lesson → LESSON_DETAIL

LESSON_DETAIL

- Lesson title
- Tab 1: Video (if video lesson)
- Tab 2: Notes (PDFs to download)
- Tab 3: My Notes (personal note editor)

→ Tap video area → LESSON_PLAYER

LESSON_PLAYER (full screen)

- Video player with custom controls
- Bottom overlay:
 - Progress bar (scrutable)
 - ■ 10s back | ■■/■ Play | ■ 10s forward
 - Speed selector (0.75x, 1x, 1.25x, 1.5x, 2x)
 - Quality selector
 - PiP (picture-in-picture button)
- [✓ Mark Complete] button (appears after 80% watched)

→ Tap Back → LESSON_DETAIL (progress saved)

→ Tap Mark Complete →

If last lesson in module AND next module unlocked:

CONFETTI ANIMATION + "Module Complete!" bottom sheet

If course complete → COURSE_COMPLETE_SCREEN

Flow 3.4: Quiz Flow

QUIZ_LIST (Tests tab)

- Filter: Upcoming | In Progress | Completed
- Each card: Quiz name, date, time limit, marks, status

→ Tap quiz → QUIZ_DETAIL

QUIZ_DETAIL

- Quiz title, course, module
- Stats: Questions, Time limit, Total marks, Pass marks, Attempts
- If not started: [Start Quiz] button
- If completed: Score card, [View Results]
- If in progress (auto-save): [Resume Quiz]

PRE-QUIZ CONFIRMATION (bottom sheet)

"Ready to start?"

- Once started, timer cannot be paused
- You have X attempts remaining

[Cancel] [Start Quiz]

→ Tap Start Quiz → QUIZ_SCREEN

QUIZ_SCREEN

[illegible]

- Auto-save every 30 seconds
- Timer warning at 5 minutes remaining (screen border turns yellow)
- Timer warning at 1 minute remaining (screen border turns red, vibration)

→ Tap Submit → SUBMIT_CONFIRMATION

SUBMIT_CONFIRMATION (bottom sheet)

```
"Submit quiz?"
```

"You have answered 13/15 questions. 2 unanswered."

[\[Review Answers\]](#) [\[Submit Now\]](#)

QUIZ_RESULT

[illegible]

ANSWER_REVIEW_SCREEN

- Each question listed with student's answer
- ■ Green for correct, ■ Red for wrong
- Explanation shown below each question

...

Flow 3.5: Placement Hub

PLACEMENT_HUB (Placement tab)

[illegible]

Tap "Jobs" → JOB_BOARD (filtered list)

Tap job card → JOB_DETAIL

Tap "I'm Interested" → Confirm bottom sheet → Interest recorded

MY_CERTIFICATES

- List of earned certificates
- Each: Course name, date, [View PDF] [Share]
- Share action: opens native share sheet

CERTIFICATE_VIEWER

- Full-screen PDF viewer
- [Download] [Share to LinkedIn] [Copy Verify Link]

...

Flow 3.6: Profile

MY PROFILE

- Profile photo, name, student code
- Quick stats: Courses, Attendance%, Quiz Avg, Rank
- Tabs:
 - Personal Info (editable)

- Academic Info (editable)
- Skills (tag list, editable)
- Certificates
- Documents
- Settings section:
 - Notification preferences
 - Change password
 - About / Help
 - [Logout]

4. Admin Panel Flows (Web — React.js)

Flow 4.1: Super Admin Dashboard

SUPER_ADMIN_DASHBOARD

Top KPIs row:

[Total Students: 1,234] [Active Colleges: 8] [Active Batches: 23] [Placed This Mont...

Charts row:

[Monthly Enrollment Trend (line)] [Placement by Company (bar)] [Attendance Distribu...

Alerts panel:

"Students at risk" table:

- Ravi Sharma – LNCT Batch 2 – Attendance 62% – Last active 8 days ago
- [Send Alert] [View Profile]

Quick Actions:

[+ Add College] [+ Add Batch] [Generate Certificates] [+ Post Job]

Flow 4.2: College Management

COLLEGE_MANAGEMENT (List view)

Table: Name | Code | City | Students | Active Batches | Status | Actions

[+ Add College] button (top right)

Filter: All | Active | Inactive

Search: by name or code

→ Click [+ Add College] → COLLEGE_CREATE_FORM (slide-in panel)

→ Click college row → COLLEGE_DETAIL

COLLEGE_CREATE_FORM

Basic Info:

- College Name *
- College Code * (auto-suggested from name)
- City, State, Pincode

Contact:

- Contact Person Name
- Contact Email *
- Contact Phone

Contract:

- Onboarding Date
- Contract Start / End

Admin Account:

- [Create College Admin Account] toggle
→ If ON: Admin Name, Admin Email fields appear
- [Cancel] [Save College]

COLLEGE_DETAIL (tabbed)

Header: College name, code, status badge, [Edit] [Deactivate]

Tab 1 – Overview:

- Key metrics cards: Students, Active Batches, Placement Rate, Avg Attendance
- Trend charts for this college

Tab 2 – Batches:

- Table of batches for this college
- [+ New Batch for this college]

Tab 3 – Students:

- Table of students enrolled in this college's batches
- Filter by batch, placement status

Tab 4 – Reports:

- [Download Attendance Report (PDF)]
- [Download Progress Report (Excel)]
- [Download Placement Report (PDF)]

Flow 4.3: Batch Creation & Management

BATCH_MANAGEMENT (List)

Table: Batch Name | College | Course | Trainer | Students | Start | End | Status

Filter: Upcoming | Active | Completed

→ [+ Create Batch] → BATCH_CREATE_WIZARD (3 steps)

BATCH_CREATE_WIZARD

Step 1 – Basic Details:

- Batch Name *
- Batch Code * (auto-generated: [COURSE_CODE]-[COLLEGE_CODE]-[YEAR]-B[n])
- Select College *
- Select Course *
- Start Date, End Date *
- Mode: Online / Offline / Hybrid
- Schedule Days (multi-select: Mon, Tue, Wed, Thu, Fri, Sat, Sun)
- Schedule Time (e.g., 6:00 PM – 8:00 PM)
- Capacity (default: 200)

- Meet Link (optional)
- [Next →]

- Step 2 – Assign Trainers:
- Search and select Primary Trainer
 - Option: + Add secondary trainer
- [← Back] [Next →]

- Step 3 – Enroll Students:
- Option A: CSV Upload
[Download Template] [Upload CSV]
Preview table shows after upload: validates rows, flags errors
 - Option B: Add individually (search by email)
 - Summary: "X students will be enrolled"
- [← Back] [Create Batch]
- Success → BATCH_DETAIL

Flow 4.4: Attendance Marking (Trainer Flow)

- TRAINER LOGIN → TRAINER_DASHBOARD
- My Today's Classes:
- Batch: PY-AI-2024 – 6 PM-8 PM
- [Mark Attendance]
- ATTENDANCE_MARKING_SCREEN

- ATTENDANCE_MARKING_SCREEN
- Header: Batch name | Date | Today's topic (editable)

Student list (all enrolled students):

#	Student Name	P	A	L	Note
1	Rahul Gupta	●			
2	Priya Sharma		●		
3	Amit Verma			●	[Late]

- Bulk action: [Mark All Present] button
 - Search by name
 - Count shows: Present: 24 | Absent: 2 | Late: 1
- [Submit Attendance] → Confirmation dialog → SUCCESS
- College dashboard updates within 60 seconds

Flow 4.5: Certificate Generation

- CERTIFICATE_MANAGEMENT
- Select batch → [Generate Certificates]

CERTIFICATE_ELIGIBILITY_CHECK

System shows table:

Student Name	Attendance%	Quiz Avg	Assignments	Eligible?
Rahul Gupta	82%	74%	■	■
Priya Sharma	68%	74%	■	■ (Attendance)

Filter: Eligible | Ineligible | All

- For ineligible: hover tooltip shows reason
- Admin can manually override: [Override] → requires reason text

[Generate for Eligible Students (24)] → LOADING

GENERATION_PROGRESS (live updates via socket)

- Progress bar: Generating certificates...
- "23 / 24 generated"

→ Complete → DOWNLOAD ALL (ZIP)

→ Each student notified via push + email

5. College Admin Portal Flow (Web)

COLLEGE_ADMIN_LOGIN → COLLEGE_DASHBOARD

COLLEGE_DASHBOARD

Header: Welcome, [Admin Name] – [College Name]

KPI Row: [Students: 245] [Batches: 3] [Avg Attendance: 76%] [Placed: 38]

Student Risk Table:

- Low Attendance (<75%): 12 students [View All]
- No Activity (14+ days): 5 students [View All]

Report Downloads:

[■ Attendance Report] [■ Progress Report] [■ Placement Report]

STUDENT_LIST (read-only)

Table: Name | Batch | Attendance% | Quiz Avg | Placement Status

Filter: by batch, by status

Search: by name, enrollment number

→ Click student row → STUDENT_PROFILE_READONLY

STUDENT_PROFILE_READONLY

- All student data visible (no edit capability)
 - Attendance chart
 - Quiz scores
 - Lesson completion
 - Documents and certificates
- [Download Student Report (PDF)]

6. Notification Flows

NOTIFICATION TRIGGERS & DESTINATIONS:

Event: Student marks lesson complete

→ Activity log updated (silent, no notification)

Event: Quiz deadline approaches (24 hours before)

→ Push notification to student

→ Email to student

Event: Trainer submits attendance

→ Push to all students in batch ("Attendance for [date] marked")

→ If student attendance < 75%: additional warning push

Event: Assignment graded

→ Push + email to student ("Your [Assignment Name] has been graded: X/Y marks")

Event: Certificate generated

→ Push + email to student ("Your [Course] certificate is ready!")

Event: New job posted (matching skills)

→ Push to matching students

Event: Weekly report (Sunday 8 PM auto)

→ Email to all college admins (their college stats)

→ Email to super admin (platform-wide stats)

Event: Student at risk (weekly check)

→ Email to super admin + college admin listing at-risk students
